

National Green Corps

National Green Corps (NGC) is a programme launched in 2001 by the Ministry of Environment Forests and Climate Change (MoEF&CC), Government of India (GoI). The main objective of the scheme is to establish "National Green Army" by establishing Eco clubs in schools all over the nation to spread awareness on environment and carry out action based programmes for protection and improvement of environment. Environmental Management and Policy Research Institute (EMPRI) is serving as Nodal Agency for NGC in Karnataka to implement the programme since January 2009.

In the year 2019-20, 14132 Eco club schools across 34 educational districts of the Karnataka state have received financial grant from MoEF&CC.
