Smt. Ritu Kakkar, IFS, Director General, EMPRI and Member Secretary, State Steering Committee welcomed the Chairman, the members and participants who attended the meeting. A brief introduction was given by Dr. K.H. Vinaya Kumar, IFS, Director (Research), EMPRI, about the National Green Corp Programme (NGC) Programme. Thereafter the meeting commenced with discussions as per the following items.

Agenda 1: Confirmation of the proceedings of previous State Steering Committee

Meeting of NGC Programme held on 27th December 2017.

The proceedings of the previous State Steering Committee Meeting of NGC Programme held on 27th December, 2017, was read, recorded and confirmed.

Agenda 2: Action taken on the proceedings of the previous State Steering Committee Meeting of NGC Programme held on 27.12.2017:

Action taken on the decision of the previous State Steering Committee Meeting of NGC Programme held on 27.12.2017, as reported in Annexure -2 of the agenda was noted.

Agenda 3: Progress of NGC Programme in the year 2018-19

A. Disbursement of Fund:

It was decided that funds should be released directly to 6004 Government schools by EMPRI. The Deputy Director of Public Instruction (DDPIs) who have given the list of Government Aided schools and districts which have less than 48 Government aided schools funds can be disbursed directly. For rest of the districts funds should be given directly to DDPIs requesting them to release to 48 schools which are promptly giving Utilization Certificate (UC) and performing their activities well.

Consolidated Utilization Certificate (UC) have to be given by Rashtriya Madhyamika Shiksha Abhiyan (RMSA) and Sarva Shiksha Abhiyan (SSA) at the end of the year.

**B. District Implementation and Monitoring Committee (DIMC)
(Changes)**

During the year 2018-19 funds have not been released for DDPIs from

Ministry of Environment Forest & climate Change (MoEF & CC). This information was brought to the kind notice of the committee.

C. World Environmental Day

The committee noted the programmes in conducting World Environmental day and appreciated the same.

D. World Ozone Day

The committee noted the programmes in conducting World Ozone day and appreciated the same.

E. Swachatha Hi Seva

The committee noted the programmes in conducting Swachatha Hi Seva and appreciated the same.

F. Swachatha Action Plan

The committee noted the programmes in conducting Swachatha Action Plan and appreciated the same.

G. Harit Diwali - Swasth Diwali Celebration

The committee noted the programmes in conducting Harit Diwali - Swasth Diwali Celebration and appreciated the same.

Agenda 4: Visit to Eco-club schools.

The committee noted the programmes in visiting the Ecoclub schools and appreciated the same.

Agenda 5: Action Plan for the year 2018-19

Works to be done by end of financial year in addition to the above works were brought to the notice of the committee.

- Disbursement of funds to 7400 Schools (as of now).
